Marchex, Inc. (the “Company”) has entered into a Rule 10b5-1 trading plan (the “Plan”) with a broker to facilitate the purchase of its Class B common shares. Rule 10b5-1 allows a company to purchase its shares at times when it ordinarily would not be in the market because of self-imposed trading blackout periods, such as the time immediately preceding its quarterly earnings releases. The shares to be repurchased under this Plan would be part of the Company’s previously disclosed share repurchase program. No shares will be knowingly purchased from Company insiders or their affiliates. The Company may terminate the Plan and may enter into similar arrangements in the future. Depending on market conditions, the Company may also make purchases in the open market and in privately negotiated transactions from time to time outside its normal trading blackout periods.
