**Marchex Announces Special Cash Dividend for Common Stock**

(SEATTLE)—December 12, 2017 – Marchex, Inc. (NASDAQ:MCHX), a leading provider of call analytics that drive, measure, and convert callers into customers, announced today that the company's Board of Directors has declared a special cash dividend in the amount of \$0.50 per share on its common stock. Marchex will pay this dividend on March 21, 2018 to the holders of record as of the close of business on March 8, 2018.

"We've made significant strides over the last year in stabilizing our business. While there is more to do, we are focused on unlocking the opportunities for value creation within the call and speech analytics industry," said Michael Arends, Chief Financial Officer. "Given the strength of our balance sheet, we believe we can issue this dividend while continuing to retain the flexibility to pursue new opportunities. This special dividend is consistent with our sound capital management policies and our commitment to providing a meaningful return to our stockholders."

Marchex is continuing its strategic review and as part of this review believes there may be opportunities, including potential acquisitions, to create strategic, financial and/or operational advantages and, over time, additional levers for growth, profitability, and diversification.
